## About **ADROIT OVERSEAS**

*Adroit Overseas* is a **Canadian Exporter** that specializes in the export of agro commodities for Canadian products. Adroit deals with each level of the supply chain; from farmers in Canada to importers in destination countries. The **mission** of our company is to export the best quality products at its most economic prices. Our **vision** is to meet the demand for pulses around the world by supplying high-quality Canadian products. To expand its supply and fulfill its vision, Adroit has recently acquired a grain elevator / plant in the town of Neville, Saskatchewan, Canada.

In Adroit Overseas, we emphasize in developing trusted and long term relationships with all our buyers and suppliers. Already exporting to over 12 countries, Adroit have developed a good reputation for consistently supplying high-quality products and honoring all our commitments. We strongly believe in providing excellent customer service and updating all our customers with the most recent market trends. Please send an email to [info@adroitoverseas.com](mailto:info@adroitoverseas.com) for any inquiry, our team will be happy to help you.
